2026 COPPER PENNY I & II HORSE SHOWS

Estes Park Events Complex ~ Estes Park, CO

FEED & BEDDING NEEDS

Feed and bedding is available from the horse show office during the show. Orders placed by noon on show days will be delivered same day. Orders placed after noon on show days will be delivered next day. All orders must be placed by noon on Saturday, as there are no deliveries on Sunday. All orders can be placed on your horse show account.

For pre-show orders, go to the CEP website and download the Pre-Show Feed & Bedding Order Form. Complete and email back by the deadline date listed on the form.

RV / CAMPER HOOK-UPS

RV spaces with water and electric are \$350 / week paid in advance, \$400 / week paid at the show (if available). Pump-outs are NOT included. An RV dump station is available on the grounds at no charge. You may also arrange for your own pump-out service. RV reservation forms are available on the CEP website at www.cepshows.com. First-paid, first reserved. RV spaces may not be shared or resold ... canceled reservations will go to the next application in line on the waiting list.

ARRIVAL & DEPARTURE

Copper Penny I: Horses may arrive anytime after 10:00am on Monday, July 13th. Early arrival requests must be made via email to entries@cepshows.com and are subject to facility approval. Early arrivals, if available, will be charged \$30 per stall, per night. Horses must depart by 8:00pm on Sunday, July 19th unless staying for the next show.

Copper Penny II: Horses may arrive anytime after 1:00pm on Monday, July 20th; horses must depart by 8:00am on Monday, July 27th. If the first week is sold out, no early arrivals will be permitted.

POLICY REGARDING PAVILION BARN & RV RESERVATIONS

Preference for stabling in the Pavilion Barn is given to those trainers that are showing both weeks and experience little to no changes in stall counts between the two weeks. The facility will not strip out stalls between shows, due to there being horses in the building and the resulting dust cloud and loud noises associated with heavy equipment use are liabilities. So those that request the Pavilion stalls must show both weeks and have identical or very similar numbers, and be among the first entries received for the shows.

The policy for the RV reservations is similar ... preference is given to those that are staying both weeks. After enough reservations are received to sell out all spaces, those staying both weeks are prioritized over those only reserving one week. There is no guarantee that an RV reserving both weeks will be accepted, but those reservations are prioritized over one week reservations. Once sold out, a waiting list will be started.

RING SCHEDULING, SAME DAY ADDS, CANCEL / COMBINE CLASSES

At 5:00pm every day, including warm-up / check-in day, the office stops accepting entries for the next day. After all entries are input into the computer, a schedule including class counts and class start / finish times is created for the next show day and will be available outside the office and online at the cepshows.com website by 6:00pm. This schedule shows each ring, how many entries are in each class, and what time each class, or group of classes, is scheduled to start. Remember, these times are approximate, and may vary slightly, but are designed to give you a general idea of when your classes will go. This way, you don't have to show up at 7:00am and just sit around until 11:00am for your class! Go have breakfast, get in a round of golf or catch the sunrise as it comes up over the mountains.

Adding regular classes after 5:00pm for the next day, or adding regular classes the same day they are being held, is allowed as long as the schedule is not full in a particular ring. If the following day's schedule in a ring is full at 5:00pm the day before, then that ring is declared "closed" and will not allow same day adds. Trainers and exhibitors are urged to stop by the office before 5:00pm each day to verify their entries for the next day. This way, adds can be made before the 5:00pm deadline, and you are assured of getting into your classes.

At 5:00pm each day, when the final numbers are compiled and the schedule for the next day is created, management will make decisions about classes with less than the entry minimums. These classes are either canceled or combined with other classes, if possible. The class sheets are printed and judge's cards finalized. This next sentence is very important ... **any classes canceled or combined WILL NOT BE UNCANCELED OR UNCOMBINED, regardless of how many entries actually show or wish to show in them.** This is a firm policy and the only way to maintain reasonable control over a schedule that, if allowed to change in that manner, could push things back by hours. So be sure you are entered in all your desired classes by 5:00pm the day before. If the schedule fills up and the ring is declared 'closed', you won't be able to add into it.

SCHOOLING IN THE SHOW RINGS

Schooling Fee: All horses entered in each show will be charged a \$35 Schooling Fee. This fee is to help offset the cost of schooling and warming up in the rings on warm-up days and during the show. This fee is mandatory whether you school or not.

Hunter Rings & Ring 3: Open schooling is permitted on warm-up days (Tuesdays) in the Hunter Rings from 10:00am to 5:00pm and in Ring 3 from 11:00am to 5:00pm. Each show morning, these rings are open for schooling before their start time (see Daily Schedule for times when each ring closes and any exceptions). Each afternoon, rings may be open for schooling over fences after being rebuilt, time and weather / footing conditions permitting.

Jumper Ring: Open schooling is permitted on warm-up days (Tuesdays) from 9:00am to 4:00pm. Each show morning, only hacking will be allowed in the Jumper Ring - no jumping. Each afternoon, the Jumper Ring may be open for schooling over fences for a limited time after being rebuilt, time and weather / footing conditions permitting.

NEW

Important New Policies & Changes From Last Year

NEW

- *New 0.65m Jumper classes, to be held in Ring 3, added to both shows! These classes are not pointed for any year-end awards and are offered to allow our valued beginner jumpers a chance to compete in Estes Park.*
- *Schooling over fences for a limited time will now be allowed in the Jumper Ring each afternoon of the show (except Sundays) after the course is reset, time and weather permitting. Hacking only (no jumping) will be allowed each show morning.*
- *Trainers are encouraged to complete their "Trainer Sheet" each afternoon before 5:00pm to make sure their clients are entered in their classes the next day ... excessive same-day gate adds may result in a fee per class that is added at the gate.*
- *After more than a decade of being the official horse show veterinarian, we wish Dr. Suit well and will miss him at our shows. Information on horse show veterinary coverage will be posted in the show office. Veterinary coverage will be a mix of on-site and on-call coverage.*
- *All stalls and common horse areas will be sprayed / disinfected by horse show staff on Sunday, July 12th, prior to general move-in, as well as on Monday morning, July 20th after first week horses have left and before the arrival of second week horses starting at 1:00pm. If you are just showing in the second week, please do not arrive before 1:00pm on Monday so that we have time to strip, clean and disinfect stalls for your arrival.*
- *CHJA is hosting social events / game nights over the two weeks. See the flyers in this prize list for details.*
- *Exhibitors are encouraged to bring their own bagged feed upon arrival. A limited selection will be available during the show, but may not be what you are used to feeding and, due to shipping costs, may be expensive.*
