

EQUINE HEALTH DOCUMENT REQUIREMENTS

USEF requirements, combined with management and facility policies, are designed to protect your horse and other horses participating in any show at Westworld. These measures are designed to decrease the risk of introduction or spread of contagious or infectious disease.

Horses may only arrive during the hours published in this prize list. Arrivals at any other time must be approved in advance by emailing CEP at cepshows@aol.com at least 72 hours prior to arrival.

**UPON YOUR ARRIVAL, YOU MUST PRESENT A COMPLETED
"EQUINE HEALTH DOCUMENT" PRIOR TO UNLOADING YOUR HORSES.
THIS SIMPLIFIED, SINGLE-PAGE DOCUMENT ATTESTS TO THE FOLLOWING:**

HORSE HEALTH VERIFICATION (required by show management)

Verifies that the horse(s) on your trailer have been healthy with no sign of infectious disease and have not had a temperature above 101.5°F within 72 hours of arrival, nor have been around any horses or at any barn or facility that had any horses that were sick or under any type of quarantine within 30 days of arrival. This is required for all horses entering the show grounds whether showing or not.

PROOF OF VACCINATION (required by USEF)

Attests to the fact that you are in possession of (and must be shown upon request) a signed statement or vaccination record from a veterinarian that the horse(s) have been vaccinated against:

Equine Influenza (EIV) within 6 months of the first show day
Rhinopneumonitis (EHV 1 and EHV 4) within 6 months of the first show day

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for the next show.

NEGATIVE COGGINS & HEALTH CERTIFICATE (required by the State of Arizona and Westworld)

Attests to the fact that all horses arriving at the show, including those coming from out-of-state and those that reside in Arizona, must have (and must be shown upon request):

A Health Certificate dated within 30 (thirty) days of the first show day
Negative Coggins for Equine Infectious Anemia (EIA) dated within 12 months of the first show day

A new EQUINE HEALTH DOCUMENT (available at www.cepshows.com) must be presented each time a horse enters the property. Horses that leave between shows and then return, as well as horses stabled off property that "haul-in" each day for their classes, will be required to present a new document each time they arrive. This only applies to the EQUINE HEALTH DOCUMENT itself ... if you are in possession of all of the other required vaccinations and records and they are current, you will not be required to update any of these other items to re-enter the grounds.

For further information, feel free to contact **1)** CEP at cepshows@aol.com; **2)** Arizona State Veterinarian's Office at (602) 542-4293 or email the state vet, Dr. Ryan Wolker, at rwolker@azda.gov.

By 6:00pm each day, the following day's schedule with class counts and start / finish times will be available outside of the show office and online at the horseshowing.com website. You can also view results from previous day's classes. So be sure to visit the official information site for all CEP Shows, www.horseshowing.com!

I declare that the horses listed above have been properly vaccinated as per USEF rules for **Equine Influenza (EIV) and Rhinopneumonitis (EHV 1 and EHV 4) within 6 months of the first show day**.
