Equine Health Declaration Statement

I declare that the horses listed above have been healthy with no sign of infectious disease and have not had a temperature above 101.5°F within 72 hours of arrival, nor have been around any horses or at any barn or facility that had any horses that were sick or under any type of quarantine within 28 days of arrival.

I declare that the horses listed above have been properly vaccinated as per USEF rules for **Equine Influenza (EIV) and Rhinopneumonitis (EHV 1 and EHV 4) within 6 months of the first show day.** I am in possession of such vaccination records and will produce them upon request. If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for the next show.

I declare that each horse listed above has a **Health Certificate dated within 30 days of the first show day and a Negative Coggins for Equine Infectious Anemia (EIA) dated within 12 months of the first show day.** I am in possession of such records and will produce them upon request. The Health Certificate is normally not required for horses attending events within their own state, however, due to current equine safety concerns, ALL HORSES MUST HAVE A HEALTH CERTIFICATE REGARDLESS OF WHERE THEY RESIDE.

A new EQUINE HEALTH DOCUMENT (available at www.cepshows.com) must be presented each time a horse enters the property. Horses that leave between shows and then return, as well as horses stabled off property that "haul-in" each day for their classes, will be required to present a new document each time they arrive. This only applies to the EQUINE HEALTH DOCUMENT itself … if you are in possession of all of the above required vaccinations and records on your first entry to these shows, you will not be required to update any of these items to re-enter the grounds.

By signing below, I affirm that I am or have the authority to sign on behalf of the Trainer and/or Agent listed above.
